## TERMS & CONDITIONS

Permaconn Dual SIM 4G 120 second polling plan only available on a 36 month agreement to credit approved customers on direct debit. Charge includes monitoring of 1 x system area & 1 x general area. Additional areas are \$8 per month. An early exit fee of \$90 x months left remaining on agreement will apply if service is cancelled during the term. If you don't wish to sign an agreement please ask about a Permaconn PM45 outright purchase option. Minimum cost for monitoring is \$3240 (\$90/mth). Permaconn PM45 connection fee is \$199. Permaconn PM45 connection fee includes standard installation. Non-standard installation will be quoted before work commences. Total minimum cost including monitoring & Permaconn PM45 Communicator installation cost is \$3439. Prices do not include GST. Prices are not inclusive of SMS messaging, service, maintenance, guard or alarm response charges. Customers selecting either 'Response for all events' or 'Response for all events if unable to contact' response plans will incur charges for alarm response services & may incur charges for waiting time. ^Mobiles & landlines only. Security system must meet minimum functional requirements as specified in Australian/New Zealand Standard 2201.2 for connection. A quote for repair will be provided, prior to connection, if the system is not compliant with A/NZS 2201.2. Permaconn monitors the connection between your alarm system & the monitoring centre by testing its wireless status every 1 hour. Should the automatic check (known as a poll) not receive a response, our systems will notify us & we'll escalate the event in accordance with your response plan. For insurance purposes this service is classified as a Class 3 (C3) service.
