TERMS & CONDITIONS

Permaconn Dual SIM 4G 20s polling plan available on a month by month agreement to credit approved customers on direct debit. Charge includes monitoring of 1 x system area & 1 x general area. Additional areas are \$8 per month. DTU4G-IP DirectWireless transmitter connection fee is \$349. DTU4G-IP connection fee includes standard installation. Non-standard installation will be quoted before work commences. Prices do not include GST. Prices are not inclusive of service, maintenance, guard or alarm response fees. Customers selecting either 'Response for all events' or 'Response for all events if unable to contact' response plans will incur charges for alarm response services & may also incur charges for waiting time. [^]Mobiles & landlines only. Security system must meet minimum functional requirements as specified in Australian Standard 2201.2 for connection. A quote for repair will be provided, prior to connection, if the system is not compliant with AS 2201.2. DirectWireless monitors the connection between your alarm system and the monitoring centre by testing its wireless status every 20 seconds. Should the automatic check (known as a poll) not receive a response, our systems will notify us and we'll escalate the event in accordance with your response plan. For insurance purposes this service is classified as a Class 2 (C2) service.
